Today's the end of the first week that Erik has been tutoring me. He takes his time with me. He made me do the same thing twenty times in a row before getting it right. But today I'm feeling horny and I really don't care about another silly lesson. Maybe I can take his mind off it starting with a little blow job.

Poker Game Pussy

The night my hubby lost me in a poker game!

I'm a 29 MILF who many people consider attractive. I've got dark hair and a slender, curvy body. And I'm told I have a pretty face. I married Jim when I was 19, and for the first nine years I was always totally faithful to him.

On Friday nights three of his work buddies and their wives would drop over. The guys would play nickel-and-dime poker while the wives would chew the fat in the living room.

Then one night about a year ago, I got up and wandered out to the kitchen where the guys were in a heated game. I saw a

pile of money in the center of the table. I stood by my husband's chair, smiling and watching idly. The others had folded, leaving only Jim and Brad. My husband seemed to have a good hand, but he had no money left to call.

He looked up at me hopefully. Carefully he showed me his cards: three Queens and a pair of aces. Brad knew that Jim had a good hand, but he was not intimidated and continued to smile eagerly, waiting for my husband to call the bet or fold.

"Do you have any money with you, Annie?" Jim asked.

"No, I don't have any money," I said, noticing that the other three women had entered the kitchen too.

"Shit!" Jim cursed in exasperation. "I can't fold. I've got this pot. I've got it, dammit!" He gazed directly at Brad, who was waiting. "Tell you what, dude. I'll put Annie up against the pot that my hand will beat yours. What do you say?"

"What do you mean, Jim?" Brad asked.

"Yes, just what do you mean?" I frowned.

"Honey, I can't lose!" Jim laughed. He faced Brad again. "I put my wife up against the pot. If I win, that's that. If I lose..."

"And then what?" Brad smiled.

Jim shrugged. "Then, you take my wife to the bedroom and fuck her."

"What?!" I gasped, my face and throat going hot, a thrill streaking through me. "Now, just a minute! I have something to say."

"Hey, don't worry, baby. I can't lose, I tell you. You have nothing to worry about. I'm going to take this joker!" Jim said.

"But what if you do lose?" I sputtered, my face still hot.

"Oh, go on, Annie. Be a sport," Brad's wife grinned, the other women nodding in agreement. "It's only in fun, remember?"

I hesitated, my heart pounding. "Alright," I nodded.

"I've got a beautiful full boat, dude. Queens over!" Jim said, flipping his cards and beaming.

"Very good, Jim," Brad smiled. "Unfortunately, I've got a little ol' straight flush." He casually turned his card, revealing five clubs all in sequence. "Just as straight as it can be."

Jim's smile had vanished, his mouth gaping open as he stared. "He won!" my husband croaked in disbelief.

"Now what, asshole?" I

snarled, everybody cracking up in laughter, including Brad's wife.

Jim glanced up at me, a sick look on his face. Across the table Brad was laughing, dragging the money toward him. Then he stood, gazing at me.

"Now, wait a minute!" I gasped. "Surely you aren't serious. You aren't going to go

ward the bedroom. I faced him beside the bed, grinning up at him. I started to say something, and then stopped. Brad was undoing his pants, sliding them and his shorts down, and stepping out of them! His dick sprang upward, already fully erect and bouncing stiffly, all skinned back. It was about six inches long and fat, curved upward. More thrills ran through my belly, my pussy suddenly feeling sort of swollen

through with the silly part about."

"Pay up, Annie!" the women were giggling. "It was the bet!"

"I'm sorry, honey," Jim mumbled weakly.

Brad tugged at my hand and I looked at him, still blushing wildly. Then I understood. It was a joke on Jim. Brad had no intention of having sex with me, especially when his wife was right there. He was only playing a joke on my husband.

"Okay. Come on, Brad, let's do it," I quipped, pulling him to-

and getting squishy. I looked at his grinning face again.

"You're serious! You mean to go through with it!" I whispered. "I . . . I'm a married woman! My husband is... your wife's out there! What will she say? You're crazy, Brad! Put your pants back on and..."

"I've wanted to fuck you for a long time, Annie," Brad was saying, coming toward me. "Shelley (his wife) knows it, too."

I stood like an idiot, my heart promising to fail me, as he knelt and slid my panties down my

legs. I was shaking my head stupidly as he gently pushed me back across the bed, my skirt at my waist. I stared up at the ceiling past his head as he lowered himself onto me, settling between my legs. I felt him touch the pouting lips, and my heart leaped as he came sliding into my body.

His cock was all throbbing and squirmy, hard and hot. It forced my vagina open, forced it to gulp

the thing. I felt his mound press mine, felt his balls resting warm and heavy against my lower buttocks. I could not believe it! He was in! He was actually in me! I continued to stare past his head at the ceiling. He began to pump me slowly and gently, his hips moving up and down. Almost instantly I noticed that he was using the long slow strokes, the kind I like best.

"You like it, don't you, Annie?" he murmured.

"No!" I snapped.

"Then, why is your pussy all

wet?" he chuckled softly, still pumping me in that slow manner, fucking me deeply.

I did not answer. I felt myself blushing anew at the fact that my cunt was so blatantly betraying me. Why did the crazy thing have to get all wet? But fuck it; it was beginning to feel pretty good to me. Still, I could not believe that I was actually getting fucked by another man.

I felt his dick sliding easily in and out, felt his mound pressing my own softly furred one, then lifting; his big warm balls resting on my ass, then raising; I heard the slow creaking of the bedsprings and Brad's rapid breathing in my ear. Dammit, it felt good! I could no longer deny that even to myself! It had not even occurred to me to even try to come; all I was doing was lying there under him and enjoying the feel of his hard cock pumping in and out of me.

Shyly, hesitantly, I raised my knees at last, clasp him about his waist with my legs, and my little cunt began to swallow even more of him as he stroked. In fact, he was beginning to touch bottom in me then, and I do like that.

My nectar had started to seep into the cleft of my ass too, and my eyes were trying to close themselves. I wanted to whisper to him how good it felt like I do with Jim, but I couldn't. I just lay there silently, my head being rocked by his deep plunges, and let him fuck me as he wanted. I could tell by Brad's breathing that he was probably approaching his orgasm.

Then I heard soft giggling. I glanced to the side and was horrified to see the others crowded in the bedroom doorway watching! I went hot yet again, my mouth flying open as I stared back at them. Jim was not there but everybody else was.

"Get the fuck out of here!" I screamed to them. They only laughed merrily and continued to watch. Brad just ignored me.

"They're watching!" I choked. "Brad, they're watching us! Your wife . . ." I waved my hand at the onlookers. "Get out of here, dammit! Oh, my God!"

But they only giggled more and stared. At that moment I felt Brad twitch atop me, heard his breath catch in his throat. I groaned in awful embarrassment as I felt him shove his cock all the way into me and freeze there, unable to move.

I groped and pushed at him as I felt his cock jumping and jerking within me, shooting his scalding semen deeply into my belly. My eyes were locked on the smiling group in the doorway as the room spun for me, and I feared I might faint. Then it was over. Brad relaxed, lying still, breathing hard.

"Okay, we're done," I told him.

Grinning, he got to his feet and reached for his pants while I desperately pushed down my skirt and crushed my legs together. I leaped to my feet and headed for the door, my head down. I pushed my way through them and went to the bathroom,

He's been wanting to fuck you ever since we met you two, and now he got his chance. And he liked it.

the hot semen already sliding down my thighs, my crazy cunt still feeling all big and warm.

I was on the toilet when the door opened and Brad's wife

my hand and led me back into the kitchen. It was the hardest thing I ever did, but I looked down at my husband who was still seated at the table. He looked up, his eyes shining in a strange way.

wrapped his arms about my waist and my arms about his neck. They were all laughing. Then I was laughing at the wonderful idiots. Then Jim was laughing, and they did not have to hold our

Shelley entered. I was not even able to look at her. She came over and knelt on the floor by me. "Hey, there's no harm done, Annie," she murmured.

"I'm not mad at you. Don't feel badly. We're all friends, and it was all in fun. So he fucked you. So what? That's no reason for you to feel that you have to hide under the bed. He's been wanting to fuck you ever since we met you two, and now he got his chance. And he liked it. It's no big thing."

When I was finished she took

"Did he?" Jim asked.

"What do you think?" I replied with a little sneer, everyone sort of chuckling again.

Jim finally nodded, still looking up at me. "Yes, he did," he murmured. "I can see it myself. You have that freshly fucked look."

"I hope you're satisfied now," I snapped, turning away.

But everyone laughed and good-naturedly pushed me back over to my husband. They

arms about each other anymore. My husband and I were embracing on our own then.

That was last year, and Jim has "bet" me a few times since. And believe it or not, I don't mind it when he does. If he wins, fine. If not, I get to fuck the winner. He does not do it very often, however, but somehow I sort of wish he would.

Maybe one day soon I will get up the courage to ask him to bet me more often.

A couple years ago, I went to a halloween party where I met Shorty Mac. What a great guy he is. So, when I got to college for the winter semester, it turns out we were in class together. Turns out he's a math wiz and I wasn't doing very well. He offered to help me after classes so I took him up on it, and decided to finally thank him with a good fuck. Oh, and I learned a lot!

MANDY

I've always wanted to be on TV or even on the big screen, but now I've ended up on the Internet instead. I went to a music video audition, but the cash the director offered tricked me into getting naked and fucking him! He said I had a pair of the perkier tits he'd ever seen and some great talent for sucking and riding cock. He said he'd get back to me about the job. He called the next day – I got it! I'm so stoked!

SINDEE

I was driving around my small town when I noticed this really hot looking shirtless guy moving some boxes into his garage. He had some nice muscles and a hot round ass! I asked him if he needed any help and he looked over at me – and said he'd love some. I parked the car on the street and got out, real sexy-like, and put my sunglasses on the hood. I walked over and introduced myself as I grabbed the box he gave me. With my help, we finished in a half hour and sat in his cool garage getting to know each other. After another half hour of talking, I went over and started rubbing him, eventually going down and sucking him off.

I'm tired of my boyfriend's excuses. Every time I want to hang out with him, he tells me that he's busy; he even didn't show up to my birthday party after I invited him over. So I decide to pound on his door and confront him, and I'm not taking no for an answer. I tell him he's going to fuck me now or I'm out of here. Make up your mind! After that, he's sucking on my big tits and sticks his dick inside my wet pussy until I cum. Nice girl that I am, I let him cum, too, and tell him tomorrow if I'm gonna stay with him – or not!

A look at women with a crazy hunger for sex

Sex-Crazed Sluts

Back in the day, disapproving people used to call them “scarlet women,” “loose ladies,” or “shameless hussies.” Today’s epithets are a bit blunter: “sluts,” “nymphs,” “whores” and more. Either way, the disparaging words describe the kind of women who display a healthy appreciation for sex, who eagerly pursue erotic pleasure for its own sake and don’t give a shit about guilt.

Lorraine, whose sexual experiences could probably fill a dozen diaries, sums it up when she says, “I love to fuck. It’s as simple as that. Other women may love to eat at fancy restaurants or shop at luxury boutiques, or rise to the top of their professions. But my mind is always filled with thoughts of stiff cocks and male ass. I could blow and fuck and have my ass reamed out and my breasts sucked from now until the cows come home and still not be satisfied. Am I shamed of it? I’m proud I have got the kind of body that gives guys hard-ons. And I want to enjoy every one of those hard-ons!”

Some of the people who condemn promiscuous women, not surprisingly among them cuckolded husbands and secretly jealous sisters, try to equate such pleasure-seekers with prostitutes, spitting names like “Whore!” and “Bimbo!” at them whenever there’s a confrontation. But such thinking contains a fundamental error.

The majority of hookers go down for the money and whatever sexual enjoyment they derive is secondary. A promiscuous woman, on the other hand, might gladly accept payment for spreading her legs for a man, but the sensual joy she experiences is her primary goal.

“I guess, technically, you could call me a prostitute,” smiles Noreen. “But I don’t think of myself that way. Sure, some of the dudes I fuck express their appreciation by giving me gifts. But I’d be just as enthusiastic about fucking them if they gave me nothing. It’s the dicks—and the orgasms they deliver—that count!”

The double gender standard which infuriates feminists is probably more clearly evident in our attitudes toward promiscuity than toward any other subject. A guy who bangs numerous women, whether he’s married or single, is often regarded as an enviable “stud. But a single woman who opens her mouth, ass, or pussy to a guy is still widely looked down upon by both sexes as “cheap” or “easy.” And a married woman who boasts of prolific extramarital adventures? Why, she’s nothing but an out-and-out “slut.”

“I couldn’t believe the difference in the way I was treated for doing the same thing my husband had done,” says

Donna, now divorced and enjoying a highly active sex life. "When Chuck and I were married, I was fairly innocent and believed all the crap about fidelity. Even though I felt a constant hunger for other men, I suppressed it by frequently masturbating to climax during the day, then tearing my husband's pants off and attacking him as soon as he got home."

"My sheltered upbringing would never even let me consider screwing with any man but my husband. Too much guilt and shame. But little did I realize that Chuck was busy banging other women almost from the day we were married. I refused to believe all the rumors I heard until I went to his office unexpectedly one evening and found his secretary with my husband's dick in her mouth. She was down on her knees next to Chuck's desk, literally devouring his penis."

Donna's anger took the form not so much of revenge, but of making up for the foolish agony she'd suffered repressing her lewd desires for other men. After listening to Chuck's plaintive pleas for forgiveness, she agreed to give him another chance while secretly setting her own plans in motion.

"The moment I saw that woman eagerly sucking off my husband with the big smile on his face—just before he panicked over my arrival—I lost my sense of shame about sex," says Donna. "All I could think of was the years I'd wasted being faithful to him while he was out having fun. I resolved to make up for it in a hurry."

"The guy who got my juices flowing the most, the one who dominated my erotic dreams and came to mind whenever I approached the brink of orgasm was Michael, a handsome bodybuilder who lived next door to us. His wife Marlene was my best friend, but that didn't stop me from having a raw, gnawing hunger for him. Now, feeling totally guiltless after my husband's betrayal, I set out to get Michael's big dick inside me."

"I knew he was hot for me. Every time I'd putter around the backyard while he was out lifting weights, shyly flirting as much as I dared, I could literally see his excitement grow. The huge bulge in his clinging bathing suit would get larger and larger, taking my breath away with its fantastic length. Soon I'd have to rush into the house, fall onto the bed with my hand or the vibrator on my clitoris and pet myself until my screams of orgasm were echoing through the neighborhood."

"No more masturbation now, though. It was my turn to enjoy the real thing. The first time I saw Michael working

out when Marlene wasn't home, I strutted into the backyard in a tiny pink bikini and started doing some aerobic exercises of my own. As my titties and ass bounced invitingly, Michael's bathing suit swelled up with the outline of his rigid shaft.

"Strolling over to him, I started a conversation and, as his body beaded up with nervous sweat, I suddenly reached right out and wrapped my hand around his huge knob. 'How would you like to use that?' I asked, stroking his rigid cock."

"A minute later the two of us were on my living room floor, completely naked. Michael was sucking my breasts and plunging his throbbing dick into my soaking pussy like a man drilling for oil. Meanwhile, I wrapped my hands around his firm buns and shrieked my way through one ecstatic orgasm after another. I thought I'd pass out with pleasure as his hot cum came surging into my pussy."

Not only did Donna continue to have frequent sex with Michael after that, but she soon expanded her circle of sex partners by seducing a number of her friends and neighbors. She did little to hide the fact that she was promiscuous and, when one of her partners' wives discovered that Donna and her husband were regularly fucking, she phoned Chuck and the two of them confronted Donna.

"They tried to make me feel like dirt," she says. "They called me every name you can think of. And when I tried to defend myself by reminding them that both our husbands had been involved in extramarital sex, I was astonished

to hear each of them claim that it was 'different' for guys. They made me so angry, trying to saddle me with a guilt trip because I happen to be a woman, that I decided not to listen to any more of their hypocrisy. I walked out and divorced Chuck, and now I live as I choose."

Fortunately for them, promiscuous women generally find ways to handle other people's condemnations. Some, like Donna, may choose to ignore them and flip the bird

at the two-faced hypocrites who claim to make the "rules." Others might decide to play society's game and carry on their erotic pursuits so discreetly that only their partners know for sure.

Marie is a high school counselor engaged to Jeff, who knows nothing of the scores of casual affairs she's been involved in. "It's not that I feel guilty or ashamed of what I do," says Marie. "I got over the shame long ago when I realized it was just a hang-up laid on us by people who are jealous of our freedom. But because of my job I have to protect my reputation, and because I'm in love with Jeff, who's possessive and jealous, I must keep him in the dark.

"I know Jeff couldn't handle the fact that I'm capable of loving one man but still have an insatiable appetite for sex with others. So when Jeff is out of town, I look for guys in bars and on the university campus at the other side of town. I also never fuck with fellow faculty members or, as much as I'd like to, with the horny young athletes at school who are always putting the moves on me. It's really like living two different lives."

Like Marie, the promiscuous woman frequently does find herself following two distinctly different lifestyles, in part because of that double standard imposed by society. An engaged man, for instance, is still expected to be sowing his "wild oats," up to and including a glorious final fuck with the stripper at his bachelor party. An engaged woman though might as well be entering a convent. She's expected to spend her bridal shower opening gifts and giggling naively.

"The night before my wedding I went for the ride of my life," confesses Margaret. "I was in a motel room with two of my bridesmaids after the rehearsal, laughing our way through a few bottles of champagne, when the best man and a couple of the ushers showed up to surprise us. I tried to call my fiancé but he was already asleep, so we started our little party without him.

"I was as high as a kite and, when the guys started urging me to model my lingerie for them, I happily obliged. As I strutted seductively around the room in my transparent nightie, one of the girls took out a vibrator and started doing me.

"It got me in a wild, horny mood and, before long, I was sitting on the guys' laps, letting them touch my boobs, my ass and even my pussy, showing them 'samples' of what my husband to be gets to enjoy by pulling up my gown, petting my cunt and milking my breasts.

"When I turned around and shoved the whirring vibrator halfway up my ass, all hell broke loose. Before I realized what was happening, the six of us were down on the bed together, groping each other like animals in heat.

"I'd never had a lesbian experience before. But the two bridesmaids each grabbed one of my tits and started sucking it delightfully got me going. As I groaned and writhed, a steady stream of lubrication began flowing from my pussy. The best man quickly started lapping it up, inserting his tongue into my orifice and passionately pressing his lips to my clit. The bridesmaids helped with their stroking fingers and suddenly my body stiffened as massive waves of pleasure rolled through every pore. It was the most intense orgasm I'd ever experienced, but it was only the beginning.

"One of the ushers had been so turned on by the sight of the dildo stuffed into my ass that he couldn't wait to replace it with his own, live one. While two of the guys held my legs in the air, he whipped out a monstrous hard-on and tried to shove it up my ass in one thrust. "But it was too stiff and thick to fit, so one of the bridesmaids got a jar

of jelly from her suitcase and greased his bobbing meat. I cried out with pain and joy as I felt his giant tool forcing the tender pink flesh of my asshole apart, then sliding inch by inch into butthole.

"It hurts so good!" I shrieked, grabbing the upraised pricks of the two guys holding my legs and rubbing them ferociously until sticky goo was shooting out of their dicks, showering my fingers in cum. Meanwhile, the third guy pounded his dick relentlessly into my butthole. I squealed and shivered with each powerful thrust until his cock expanded to an unbelievable size, then started squirting wads of hot cum into my ass.

"My body went into such spasms of delight at this experience that the bridesmaids had to hold me down to keep me from bucking right off the bed. I didn't think I'd ever stop climaxing as his cock went on pumping sperm.

"At our wedding the next morning, the bridesmaids and ushers who'd been there turned red with embarrassment when they saw me. But I felt absolutely no guilt, since I knew that my fiancé had been 'given' a hooker at his bachelor party the week before. When the time came for me to say 'I do,' I winked naughtily at the best man as I pronounced the words. I could almost hear him saying in his mind, 'She sure as hell does!'"

Married or single, engaged or free, there are many kinds of women who show no shame about sex. They range from those who show off every night in front of open windows, to those who strip down at parties after their first drink, and those who will only have sex with married guys.

Society still places one of its strongest taboos, even in these so-called liberated times, over adulterous behavior by the mothers of young children. Yet, statistics show that nearly half of American wives are unfaithful and the younger they are, the more likely to seek forbidden dick. Obviously, more and more of these women feel no shame over pursuing their erotic pleasures, no matter how much society may frown on it.

"I didn't like the way guys looked at me when I started pushing a baby carriage," says Joanne. "They didn't whistle any more or ogle me as if they wanted to rip my clothes off and jump on my body.

"So I started to dress sexier than the other young mothers in the neighborhood—tank tops, miniskirts, and spike heels. I was amazed at how the other women started treating me, as if I was violating a law of motherhood by attracting men's attention. It made me defiant and, the more

they gossiped, the sexier I started to act.

"As soon as I dropped the mom jeans and sneakers uniform, the guys' attitudes began changing too. Baby carriage or not, I was that attention I craved again. The more I saw of guys' straining pants and ogling eyes while other others gave me looks, the more I brazenly sought it.

"I'd parade through the park wriggling and jiggling

my every curve. When I'd see a good-looking dude sitting there, I'd bend deeply over the carriage to fix the baby's blanket, giving him a face full of bulging panty girdle or naked ass. But soon I wanted more than just the looks tossed in my direction.

"I wanted hot action and the guys I found who'd give it to me were the young fathers out walking their babies alone. It was so natural for us to sit down together on a bench and talk about our kids while he stared at my stiff little nipples and I ogled his stiffening dick. I'd tell him it was time to breast-feed the baby and I'd invite him to come home with me and watch.

"Before long we'd be back at my apartment with the carriages parked in the living room, while we got busy in the bedroom. There was plenty of milk for both the baby and the guy I brought home, as he sucked and we fucked and had a great time.

"Was I ashamed of it? Not a chance. I just know that any of those other mothers would have traded places with me, if she'd only had the guts."

One day I was sunning by the pool and got a wave of naughtiness I just had to quench. My co-worker brought over some work and after a half hour of crunching numbers and making eyes at each other, he followed me into the cabaña, and then into the bedroom. We fucked in a bunch of different positions, but my favorite was when he fucked my tight little butt hole. That was awesome!

Alex

Sometimes at night, I dream of you watching me fuck and suck just so you can watch. I bet you would get hard just thinking it. Then you would have to do something about it and I would be there just to help you get off. I would take your hand away from your cock and replace it with my hand, and then with my mouth, and then with my pussy, and then with my fine ass. And your hard cock would be deep inside me and I'd be screaming to make me cum, and when you did, I'd gush sweet rose-water scented juice on you.
